TRADE NOTICE

Dear Valued Customers,

We would like to inform you that as per the directive of Dubai Maritime Authority (DMA), with effect from 1st November 2023, all THCs have to be settled directly with the Port & Delivery orders to be released through Dubai trade Portal as per below details.

Tariff item	Charge description
501	Terminal Handling Charge for Import Full container (including hazardous surcharge and use of special equipment if applicable)
501	Terminal Handling Charge for Export Full container (including hazardous surcharge and use of special equipment if applicable)
506	Shifting Charge of Empty container shifting to CFS, GC or any other location within Port Premises for Export stuffing
507	Empty / Export Delivery TLUC (Truck Loading Unloading Charge).

This is applicable only for shipments discharged at / loaded from Jebel Ali Port.

To ensure that there are no delays from our end for the release of Delivery orders, kindly ensure the procedures / process are followed to upload all necessary documents on Dubai Trade & payment effected through the same portal.

Thank you for the continuous support & understanding.

For further information, please contact us.
